4. It is required that parents/guardians of skaters under 12 remain at the arena in the event of situations in which their skater must exit the ice surface. (ie. Bathroom breaks, illness, or injury)
5. Payment for the program must accompany the registration. Accounts that continue to be delinquent will result in the participant's enrollment being suspended until such time that the account is rectified and all outstanding fees are paid. Skaters who wish to withdraw from the skating program **up to and including the 3rd week will be refunded the registration fee less the \$35.65 Skate Canada fee and an administration fee of 10% of the cost of the program. NO refund** will be issued after the 3rd week unless accompanied by a Doctor's certificate.
6. Horseplay, lack of discipline, lack of courtesy and respect for the coaches and other skaters will not be tolerated and will result in the skater's loss of ice privileges.
